**RETAIL SALES - TRANSSHIPPING**

Dealer represents and warrants that it is purchasing Harman Professional products only for the purposes of retail sale to end-user customers. Dealer shall not transship Harman Professional products to any person or entity without prior written consent by Harman Professional.

Definitions – Transshipping is the sale or transfer of any Harman Professional product(s) by the purchaser, directly or indirectly through its affiliates to any person or entity that sells or intends to resell Harman Professional products.

Operation - Harman Professional may conduct certain due diligence to track sales of products by serial number from unauthorized third parties to determine the origin of transshipped product(s). Harman Professional may require that dealer engage in safeguards and/or obtain a written certification or other agreement from a customer that the customer will not resell Harman Professional products.

If Harman Professional discovers that product(s) sold to dealer are being offered for sale by an unauthorized third party, Harman Professional in its sole and absolute discretion, may suspend or revoke a dealer's designation as an authorized Harman Professional dealer with respect to some or all Harman Professional products.
